NEWS RELEASE

Date 30th January, 2014

Bank Wire Transfers for USD, CAD, Euro and GBP.

IBWT has opened up its customer base to all international customers, who can now fund their IBWT accounts via bank wire transfers with OKPAY. Once a customer's [OKPAY](#) account is funded it takes just 24 hours to then fund your IBWT account

Standard verification is required for OKPAY for bank wire transfers, and OKPAY offers many other methods for funding a customers OKPAY account. This especially opens the door to all US, Canadian, European and UK customers.

All customers need to do is make a deposit request with their IBWT account then send the same funds to deposit@ibwt.co.uk when logged into their OKPAY account. The funds will be verified and confirmed and then the customers IBWT account will be credited.

Plans for rolling out further denominations are already in place

We have also updated our Royal Mail limits with regards to deposits and withdrawals. There are no limits to deposit or withdraw from IBWT's OKPAY to your OKPAY. Customers may find withdrawal limits (up to \$100,000 or equivalent) for bank wire transfers via OKPAY and should contact OKPAY directly to increase these limits.

Sincerely,

The IBWT Team.
