In Bitcoin We Trust (IBWT)

"The day science begins to study non-physical phenomena, it will make more progress in one decade than in all the previous centuries of its existence."
— Nikola Tesla

One wonders how applicable Bitcoin is to Nikola Tesla's statement. Here at IBWT we plan to help put it to the test, by enabling you, our customers, to trade your Bitcoin for sterling with each other in a secure and trusted environment.

IBWT is a UK Bitcoin/Virtual Currency exchange, offering a fully regulated, secure method, for individuals and businesses to buy or sell bitcoins.

- Fees are 0.6% per transaction
- Simple verification means you could be a full customer in a matter of days
- Security ensured with Cold Storage, SSL 256bit encryption & 2FA
- Dedicated Server for an enhanced customer experience
- Deposits & Withdrawals via secure mail services.
- Services only available to UK residents

Step 3: Click on 'Financial details'.

The screenshot shows the IBWT dashboard. At the top, there's a header with the IBWT logo and a language dropdown set to 'English'. Below the header is a 'Dashboard' section with a navigation bar containing 'Dashboard', 'B»f', 'B»€', 'B»\$', and 'B»t'. The 'Settings' section is expanded, showing several tabs: 'Personal details:', 'Financial details:', 'Government ID:', 'Proof of address:', 'Security:', and 'Delete Account'. A red arrow points to the 'Financial details:' tab. At the bottom, there's a footer with copyright information and various links like 'Contact', 'About', 'Risk', 'Verification', 'Privacy', 'Terms', 'Legal', 'FAQ', 'Funding', 'News', 'API', and 'Resources'.

Step 4: Click on 'Add/Edit Postal address'.

The screenshot shows the 'Financial details' section of the IBWT settings. It contains two main columns of form fields. The left column is for 'Add/Edit bank details' and includes fields for 'Account name:', 'Sort Code:', 'Account number:', 'Bank name:', 'Branch address:', and a 'Verified:' status with a 'Yes' button and a 'Verified' label. The right column is for 'Add/Edit Postal address' and includes fields for 'Name:', 'Address:', 'Street:', 'City:', 'Postal / Zip Code:', and 'Country:'. A red arrow points to the 'Add/Edit Postal address' link. Below these columns are tabs for 'Government ID:', 'Proof of address:', and 'Security:'.

Step 5: Enter withdrawal address on the following page and click Save Address.
